### HOLIDAY FRAUD

Fraud has always been a problem, no matter how safe you are with your card or how well you maintain your account, fraud can happen to *anyone*, especially around the holiday season. Please pay special attention to your statements and your account online to make sure all transactions being processed are by YOU.

Also please be aware of your debit card limits! You can only pull \$200.00 out of the ATM per day, and you can only use your card for a max of \$1,000.00 point of sale.

### BONUSES

Tis the season of giving, all right! If your employer has given you a bonus check via direct deposit, and you have direct allocation set up, be sure you wanted the extra payments taken out of the bonus check.

### From Our Family to Yours:

*Thank you so much for being a member with Members 1st Credit Union! Your membership and support in this community is the greatest gift we could have ever wished for. This year has been a wild ride from start to finish and we wouldn't have been able to do it without your patience and good spirits. May your holiday season be filled with great food and better people!*

*With love,*

*Members 1st Credit Union*
